MAJOR PROJECT REVIEW

DISTRIBUTION

Approximately 8000 copies of the Australian National Construction Major Project Review are read nationally by major construction companies, contractors, architects, engineers, quantity surveyors, property developers, financiers, consultants, government building departments, suppliers, master builders, and newsagents.

NSW/ACT	39.8%
Victoria	22.4%
Queensland	18.2%
South Australia/NT	9.2%
Western Australia	9.7%
Tasmania	0.7%

READERSHIP

The Australian National Construction Major Project Review is read by the middle-to-senior level managers in the building industry. It's read by project managers, cost estimators, business owners, government building departments, etc.

CONTENT

Showcasing the very best of Australia's most impressive major construction projects, and featuring in-depth articles highlighting new products, innovative techniques, and the talents of the builders, architects, engineers, project managers, consultants and suppliers who tackle the most difficult and demanding assignments in the construction and structuring of Australia's future.
